Description

Só Dança CH53 – Chloe Character Dance Shoe

Designed for dancers who appreciate an elegant silhouette and a higher heel, the Só Dança CH53 Chloe combines classic character shoe styling with a supportive construction suited to stage performances, musical theatre and dance training.

The shoe features a synthetic leather upper with a refined finish, offering a practical and easy-to-maintain alternative to genuine leather. Its cushioned interior lining provides additional comfort, while the carefully shaped vamp enhances the natural lines of the foot.

The distinctive 3-inch (7.6 cm) reinforced, tapered heel creates an elegant, elongated silhouette while its braced construction provides additional support at this elevated heel height. The genuine leather sole offers the traditional floor contact and movement required for character dancing.

An adjustable instep strap with a buckle closure provides a secure and personalized fit, helping keep the foot comfortably positioned during movement and performance.

For added versatility, a supplementary rubber sole and heel kit is included, allowing the shoe to be adapted to different floor requirements.
